Agency Branding Package

Enhance your brand and image with a new and professionally designed brand by IMS.

Custom Logo Design:

Designed for easy and distinct recognition of your company, a logo is vital to a company's image, branding and overall success. IMS will professionally design your company logo to your liking.

Business Card Design:

The importance of a first impression should never be underestimated. Our design will ensure you always leave a positive and lasting impression.

Fax Cover Sheet & Letterhead:

Streamline your professional image and brand across all forms of communication. IMS will implement your logo and contact information into a polished fax cover sheet and letterhead template.

Deliverables:

Adobe Illustrator, Adobe PDF, and Microsoft Word versions of your brand kit in varying file sizes, color and black & white print ready versions.
